

# California Biomonitoring Workshop on Chemical Selection and 2<sup>nd</sup> Scientific Guidance Panel Meeting

June 9 and 10, 2008

1515 Clay Street, Oakland, California, Elihu M. Harris State Building

June 9 Workshop – 9 am – 3:30 pm, 2<sup>nd</sup> Floor, Room 1

June 10 SGP Meeting – 9 am – 5:00 pm, Auditorium

The June 9 Workshop on Chemical Selection will feature representatives from German, Canadian and the U.S. Centers for Disease Control and Prevention (CDC) programs. During the workshop, the participants will:

1. Hear from representatives from existing biomonitoring programs about chemical selection and other aspects of their programs.
2. Explore the rationale and criteria used to select chemicals for biomonitoring.

The June 10 Scientific Guidance Panel meeting will focus on chemical selection issues. Persons attending the meeting will have an opportunity to:

1. Learn about public participation and other program activities on chemical selection
2. Comment on possible additions to the designated list of chemicals for possible biomonitoring in California
3. Comment on potential criteria for identifying priority chemicals for biomonitoring (from the “designated chemicals” list)

There are no fees or registration required for either the workshop or meeting. Written comments related to the agenda may be sent prior to the SGP meeting at [biomonitoring@oehha.ca.gov](mailto:biomonitoring@oehha.ca.gov). Comments submitted by May 27, 2008 will be provided to the SGP members before the meeting. Additional information can be found at the Office of Environmental Health Hazard Assessment website: [www.oehha.ca.gov](http://www.oehha.ca.gov). The workshop and meeting will not be web-cast.

The Program complies with the Americans with Disabilities Act (ADA) by ensuring that the facilities are accessible to persons with disabilities, and by providing this notice and information in alternative formats when requested. If you have special accommodation or language needs, please contact the program by calling David Berger at (510) 622-2661 or send an e-mail to [biomonitoring@oehha.ca.gov](mailto:biomonitoring@oehha.ca.gov). It is requested, but not required, that you contact us at least five days before the meeting so we can ensure that the necessary staff or equipment will be available for you at the meeting.
